

BORROWDALE – Camp I

BORROWDALE – Camp I

From 1925 to 1930 a holiday 'camp', (really inside a large barn & not under canvas), was held at Seatoller in Borrowdale. The record of the six summer 'camps', & of some smaller Easter parties, is contained in this book. The book began as a bare record of meals & routine; then developed into a more elaborate book of routes. It may someday be of interest.
